- Big Childcare Specials -

Our VIP Program provides a range of supportive measures for new preps and their families.

We allocate a dedicated VIP educator for the first 2 weeks of Term 1, to implement the tools required to support successful transitions for our VIP Prep children. The main role of the VIP Educator is to provide a welcoming environment for the Prep children and their families. Feedback on this special program has been highly commendable from our new families.

According to the 24-Hour Movement Guidelines recommended by the Australian Government Department of Health, children and young people aged 5 to 17 years should aim for at least 60 minutes of moderate to vigorous physical activity per day.

Our sessional Big Active Program offered during before and after school care aims to increase the intentional physical activity in our programs, moving towards the guidelines for children, whilst making sure it's all still fun and games!

Nutritious & Yummy Meals

We provide a seasonal, Nutrition Australia approved menu that our children often say they LOVE! So, for those early birds who arrive at Before School Care prior to 8.00am, a delicious breakfast will be on offer to get them energised for school.

We have a variety of cereals, breads and spreads on offer as well as specialties offered.

Then in our After School Care program, we base our food choices on the nutritional needs of the children, as well as their individual medical conditions (allergies) and likes/dislikes. Our children get to have a big say as to what's on the menu planner! We always ensure children have enough to eat, to give them the energy they need to get on with the activities they love.

Experienced & Passionate Educators

Our educators are friendly and passionate about working with children and we cannot wait for you to meet them. They love getting to know each child individually whilst committing to providing a supportive and safe environment.

Our team has current Working With Children Checks and relevant industry qualifications, with a first aid qualified member of staff on hand at every program.

We value our relationships with families, children and the school so you may even see our staff helping out at school events too! Please come and say hello!
