

Tarneit Rise Primary School 2025 Year 3 Parent Payment Arrangements

Dear Parent/Guardian,

Tarneit Rise Primary School is looking forward to another great year of teaching and learning and would like to advise you of Tarneit Rise Primary School's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. Nevertheless, continued payment of these contributions will ensure that our school can offer the same standard of education and support for your child(ren) that we have provided since beginning.

Each year we review parent payment contributions, ensuring value for money, as well as simplicity for families to organise and equity for children, which means each child receives the best possible education and environment for learning. These contributions are used to purchase art, music and physical education equipment, as well as iPads for our Prep and grade 1 & 2 students. Your contribution means we are able to provide a broad and rigorous educational **The school relies on parent contributions so we can provide a broad and rigorous educational experience for your child(ren).**

Department of Education guidelines now mandate that schools are UNABLE to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended schedule below for an indication of contributions for your child/ren.

We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,
