DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network.

POLICY

Tarneit Rise Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Tarneit Rise Primary School:

Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Tarneit Rise Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Tarneit Rise Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Tarneit Rise Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Tarneit Rise Primary School Property Policy AND/OR the Department's Claims for Property Damage and Medical Expenses policy.

Where students bring a mobile phone to school, Tarneit Rise Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so.
